representation of your client in this matter. Please advise us immediately if you (or your firm, or a firm or office with which you were previously associated) has ever represented any other defendant in this case or any witness so that we can schedule proceedings pursuant to United States v. Curcio, 680 F.2d 881 (2d Cir. 1982), if necessary.

The Government recognizes its obligations under Brady v. Maryland, 373 U.S. 83 (1963), and its progeny. To date, the Government is unaware of any Brady material regarding your client, but will provide timely disclosure if any such material comes to light. The Government will provide Giglio material, if any, at the time it provides prior statements of witnesses pursuant to Title 18, United States Code, Section 3500.

Disclosure By the Defendant

In light of your request for the foregoing discovery, the Government hereby requests reciprocal discovery under Fed. R. Crim. P. 16(b). Specifically, we request that you allow inspection and copying of: (1) any books, or copies or portions thereof, which are in the defendant's possession, custody or control, and which the defendant intends to introduce as evidence or otherwise rely on at trial; and (2) any results or reports of physical or mental examinations and of scientific tests or experiments made in connection with this case, or copies thereof, which are in the defendant's possession or control, and which the defendant intends to introduce as evidence or otherwise rely on at trial or which were prepared by a witness whom the defendant intends to call at trial.

The Government also requests that the defendant disclose prior statements of witnesses s/he will call to testify. See Fed. R. Crim. P. 26.2; United States v. Nobles, 422 U.S. 225 (1975). We request that such material be provided on the same basis upon which we agree to supply the defendant with 3500 material relating to Government witnesses.

We wish to remind you that Fed. R. Crim. P. 12.2 requires you to provide the Government with written notice if the defendant intends to rely on the defense of insanity at the time of the alleged crime or intends to introduce expert testimony relating to a mental disease, defect, or other condition bearing upon the issue of whether he had the mental state required for the offenses charged.

We also wish to remind you that Fed. R. Crim. P. 12.3(a) requires you to provide the Government with written notice if the defendant intends to claim a defense of actual or

believed exercise of public authority on behalf of a law enforcement or Federal intelligence agency at the time of the alleged crime.

The Government requests a response to our Rule 12.2 and 12.3 demands within the time period allowed by the Court for the filing of motions.

Sentence Reduction for Acceptance of Responsibility

This Office will oppose the additional one-point reduction under the Sentencing Guidelines available for defendants who plead prior to the Government's initiation of trial preparations, U.S.S.G. § 3E1.1(b)(2), in the event your client has not entered a plea of guilty six weeks prior to trial. We will follow this policy whether or not suppression or other pretrial motions remain outstanding after this date and even if the trial date has not been announced by the Court six weeks in advance of the trial.

Please also be advised that unless a disposition is reached on a timely basis prior to trial, this Office reserves the right to oppose the two-point reduction under the Sentencing Guidelines for acceptance of responsibility based upon its untimeliness. U.S.S.G. § 3E.1(a), Appl. Note 1.(g).
